

Online Individual Sessions

Our Instructors

Winni studied Instructional Design at the University of Kentucky. He is the author of the book *Analyze your ACT* that we use in our curriculum. Matt studied at St. Louis University, where he tutored countless individuals. Both of us enjoy working with students at all levels in preparation for standardized testing.

How We Make A Difference

- ✓ Book included
 - ✓ Materials included (No copied handouts. Each page written and developed by us)
 - ✓ Up to four (4) full tests included (Test sections to be completed before sessions)
 - ✓ Analysis of each test to determine flaws, trends, goals, and individualized study material.
 - ✓ Insights in what the test is asking, how it structures its sections, and how it formulates its questions
 - ✓ English grammar overview targeted only on those areas that the student missed
 - ✓ Thorough overview of needed Math skills in quick, easy-to-understand minilessons
 - ✓ Reading comprehension strategies and speed-reading software
 - ✓ Practice in scientific reasoning and test taking skills
 - ✓ Structured strategy for writing the essays
 - ✓ PowerPoints provided to review material afterwards at your own pace
 - ✓ Up to eight (8) additional tests and helpful web links provided
-
