

March ACT Course

During every class, students will receive an analysis of their ACT skills, which will pinpoint the exact focus areas to see a 3-4-point score improvement. Our course will then provide individualized lesson plans with test-taking strategies, helpful hints, and targeted practice material to achieve mastery of the needed skills for the March ACT taken by high school sophomores and juniors.

- Small classes (max. 15 students) every Sunday or Tuesday.
- Individualized lesson plans for each student.
- Targeted instruction based on unique testing analysis.
