

# December ACT Course

During every class, students will receive an analysis of their ACT skills, which will pinpoint the exact focus areas to see a 3-4-point score improvement. Our course will then provide individualized lesson plans with test-taking strategies, helpful hints, and targeted practice material to achieve mastery of the needed skills for the December ACT.

- Small classes (max. 12 students) every Sunday or Thursday
- Individualized lesson plans for each student
- Student-oriented prep book with over 150 1-page worksheets
