Individual ACT Sessions

Our Instructors

Matt is the co-author of *Analyze your ACT* and has taught students and designed curriculum at Ultimate Test Prep for years. Beth studied biology and education at the University of Kentucky, is a former high school biology teacher, and founded a peer tutoring program in her past. Both of us enjoy working with students at all levels as they prepare for upcoming standardized tests.

How We Make A Difference

- ✓ Book included – *Analyze your ACT*
- ✓ Materials included (No copied handouts. Each page written and developed by us)
- ✓ Up to four (4) full ACT tests included (test sections to complete before sessions)
