

# College Planning Services

## How We Make a Difference

Our goal along the college planning process is to help you...

- 🔗 create a **comprehensive college list**.
- 🔗 polish your resume to **emphasize key activities** and **volunteer** history.
- 🔗 develop **strong admissions essays** that highlight your strengths and potential.
- 🔗 find **external scholarships** to help decrease the cost of attendance.
- 🔗 raise your standardized test scores to increase **merit-scholarship** potential.
- 🔗 stay **organized** with application deadlines.
- 🔗 locate the **right college** fit for the **right price**.

## Our College Planners

### Niki Ledford

Niki received her Master's in Community Counseling from Eastern Kentucky University. She is dedicated to helping young adults in their crucial life transition

period. She has taught life, personal growth, and development skills for over six years. Niki utilizes her communication and leadership expertise in her college planning; she focuses on the unique details of her students to assist them in identifying and highlighting their goals as well as to provide resources and information to help families make informed decisions.

### Jordan Shands

Jordan is a Jessamine County native and first generation 2015 Berea College alumni, holding a B.A. in African American Studies with a Music Minor. With a passion for guiding students towards success, Jordan has spent the past four years as the College/Career Coach at Lafayette High School, aiding students in navigating the college application process, securing financial aid & scholarships, and exploring career opportunities. Jordan's experience guiding students through complex college applications is highly praised by his students.
